## Waiver Form

I \_\_\_\_\_ the customer have done a final walk through of my entire Home and made sure all my **VALUBALBES (MONEY,JEWERLY,MEDICATION,EXPENSIVE GADGETS and ETC)** have been removed by me before Pyramid Movers enters my home. IF I the customer seem to have misplaced or can't find any of my VALUBALES during the process of my move or after my move has been completed, I will NOT accuse or file any complaints against Pyramid Movers Because I have secured my VALUBALES personally. \_\_\_\_\_  
I hereby have been advised by Pyramid Movers that my breakables, electronics, or items have not been packed properly. I have been given the option to have them professionally packed by Pyramid Movers at an additional cost and have decided to go against their advice. I therefore agree to take responsibility for all items I have packed myself and if by chance, my belongings get broken or damaged, I will not hold Pyramid Movers responsible. Should any of the items that Pyramid Movers suggested I get professionally packed by them, be broken or damaged I relinquish my rights to sue them, complain, or be compensated by them. I take full responsibility for the items I have packed, and I take full responsibility for going against Pyramid Movers professional advice. I have been notified by Pyramid Movers that the ride on the truck is bumpy and things do shift around thus, if not packed properly it has great risk of being damaged. Regardless of their Professional advice I have chosen to go against their professional experience and recommendation. I take full responsibility for my Items. I have read the above and understand its grave consequences.
